# MCQ CHALLENGE 2018 Guidelines

Let your imaginative interpretations run wild with the **2018 theme: Inspired by [artist of your choice]**

Is there an artist who inspires you on your artistic journey? Are you eager to try new techniques, work with new materials, or simply create? Here is your chance to do all of these things by making a quilt in the style of a favorite artist.

Please follow these specifics in constructing your entry:

- Quilts may be no larger than 36" on each side.
- Quilts must be rollable for storage and transporting between exhibits. Your quilt should not have embellishments or other dimensional features that could be crushed or broken when the quilt is rolled or stacked with other quilts.
- Quilts must have a label on the back — preferably in the lower right hand corner — with the quilt title and your name.
- Quilts must have a 4" hanging sleeve and a flat hanging wood stick which has a hole in each end. Write your name on the stick. Instructions for hanging sleeves are available above and in the Exhibits section of the MCQ website:  
[www.mncontemporaryquilters.net](http://www.mncontemporaryquilters.net)
- Quilts must have an appropriately-sized cloth storage bag, such as a pillow case, labeled with your name.
